Key Responsibilities:

- Perform on-site tire repairs, replacements, and installations for farm equipment, trucks, and other machinery.
- Diagnose tire issues, including punctures, sidewall damage, and wear patterns.
- Operate tire-changing and repair equipment safely and efficiently.
- Maintain accurate service records and communicate with customers about repair needs.
- Follow all safety protocols and maintain a clean, organized service vehicle.
- Assist with inventory management of tires and repair materials.

Qualifications:

- Previous experience in tire repair or a related field preferred (agriculture, automotive, heavy equipment).
- Ability to lift heavy tires and work in various weather conditions.
- Mechanical skills and experience working with farm equipment or trucks are a plus.

- Valid driver's license with a clean driving record
- Strong customer service and communication skills.
- Self-motivated with the ability to work independently.
- CDL within six months of employment.

Preferred Qualifications:

- Class A CDL at time of hire.
- Front line customer service experience.

Benefits:

- Competitive pay based on experience.
- Company-provided service vehicle and tools.
- Two retirement plans: 401(k) and a United Benefits Group Pension
